

The Phantoms were on the bus heading to [NAME OF TOWN OTHER THAN ALLENTOWN] for a game against the [OPOSING TEAM 1]. Players on the bus were passing the time by doing many different activities. Some were playing [BOARD GAME NAME], others were watching [NAME OF DISNEY MOVIE], a few were on their phones and [PLAYER NAME 1] was snoring up a storm while sleeping.

It was then that [PLAYER NAME 2], who was one of the most notorious pranksters on the team, decided that he would play a prank on [PLAYER NAME 1]. His plan was very simple. He would get a bunch of [PLURAL FRUIT 1] and stuff them into [PLAYER NAME 1]'s pockets. It seemed as though everything would work out for [PLAYER NAME 2] as everyone on the bus knew that [PLAYER NAME 1] was a very deep sleeper and not even his alarm clock could usually wake him up.

[PLAYER NAME 2] gathered up all the [PLURAL FRUIT 1] on the bus and snuck up on his sleeping subject. He began putting the fruit in all of the pockets he could find until there were no more places to put them. With his dastardly deed completed, [PLAYER NAME 2] snuck back to his seat and started listening to music with his headphones in.

A bit later, Phantoms Coach Scott Gordon stood up and said, "I'd really love some [PLURAL FRUIT 1] right now, does anyone have some?" All the players looked at the coach, shocked, as they all knew that all of the [PLURAL FRUIT 1] were inside the many pockets of [PLAYER NAME 1]! The coach stared at the player's blank looks and then noticed that one glanced over at [PLAYER NAME 1] who was still sleeping.

Coach walked over to [PLAYER NAME 1] and nudged him awake. Befuddled, the player opened his eyes and looked up at the coach and said, "What's up coach?" Coach Gordon asked, "Do you have any [PLURAL FRUIT 1]?" [PLAYER NAME 1] felt something was not right and opened his coat. Both he and the coach were surprised that it looked like the produce section at [GROCERY STORE NAME].

It was at this point that [PLAYER NAME 2] realized what was happening and began chuckling to himself. The bus was silent, the tension was high and the players were all worried that somehow the coach would be mad at Sushko for taking all the [PLURAL FRUIT 1].

Much to everyone's surprise, Coach Gordon looked at [PLAYER NAME 1] and said, "Well, how do you like them [PLURAL FRUIT 1]?" The entire bus erupted with laughter and everyone was nearly in tears. Later, [PLAYER NAME 1] learned that [PLAYER NAME 2] was responsible for the prank. So he went online and ordered him an edible arrangement full of [PLURAL FRUIT 2] and a card that said, "Too bad you don't have any [PLURAL FRUIT 1]."
